"Anchored in our Charity & Fraternity"

My Brother Knights,

The New Jersey State Council Knights of Columbus requests the honor of your presence at a testimonial dinner held in honor of our Worthy State Deputy, Robert Hatler, and his wife, Maryann. I am sure you would easily agree that Bob and Maryann have selflessly given of themselves in participation and leadership by defending our Faith, the Right to Life, charity in our communities and parishes, and loyalty to our Order of Columbian Knights.

Please, put aside any other engagement, and join us in raising a glass to show the utmost respect for and appreciation of our Worthy State Deputy, Bob Hatler, and his wife, Maryann. The warmth of your friendship and spirit of fraternity will make this an event surely none will forget.

In addition to personally attending, we ask you to consider participating in our souvenir ad journal, and presenting a memento in remembrance of Bob's term of office. What enjoyment can there be in a party if we do not share the good times among ourselves? The event details follow:
