RESOLUTION SUPPORT DEFUNDING of PLANNED PARENTHOOD

WHEREAS Planned Parenthood is the major abortion provider in the United States performing over 355,000 abortions annually, and

WHEREAS Planned Parenthood is slated to receive funding in the pending FY22 New Jersey State Budget, and

WHEREAS Planned Parenthood annual report for FY 2020 shows 2.341 Billion dollars in assets, and

WHEREAS a series of undercover videos released by the pro-life Center for Medical Progress have revealed senior Planned Parenthood officials discussing the organization's practices depicting the collection and sale of organs from aborted babies, and

WHEREAS these videos have raised questions about whether Planned Parenthood has violated federal laws, including those that prohibit profits from the sale of fetal tissue research and the ban on partial-birth abortions, and

WHEREAS the use of state funds to kill babies in utero is in direct opposition to God's law and is unnatural.

NOW THEREFORE BE IT RESOLVED that all funding for Planned Parenthood from the pending FY2022 budget should be removed and the delegates of the New Jersey State Council Knights of Columbus, on this 15th day of May 2021, representing the 59,000 New Jersey Knights along with their families, call upon the New Jersey State Legislature to remove all funding from the pending FY22 New Jersey State Budget.
