RESOLUTION IN SUPPORT OF LAW ENFORCEMENT

WHEREAS America has been successful because it is based on the law, and

WHEREAS the police are the Law's first line of defense, and

WHEREAS today due to the negative actions of a very few, and with the overwhelming majority of our law enforcement officers being honorable and professional in their duties, our law enforcement officers are being severely criticized by various groups, and

WHEREAS this constant criticism has led to the murdering of law enforcement officers, in the course of their duties, and

WHEREAS as a result, many law enforcement officers have low morale and many consider their departments to be under siege, and

WHEREAS the New Jersey State Council Knights of Columbus, in conjunction with the Trenton Federation, have a statewide program called "Shoulder to Shoulder with Our Officers in Blue" to reaffirm our total support for law enforcement officers.

NOW THEREFORE BE IT RESOLVED that the delegates of the New Jersey State Council Knights of Columbus, on this 15th day of May 2021, representing the 59,000 New Jersey Knights along with their families, resolve to continue their support and to publicly back our law enforcement officers and expand our programs in support of them.

BE IT FURTHER RESOLVED that a copy of this resolution will be sent to the Fraternal Order of Police, the State Policeman's Benevolent Association and the Superintendent of the New Jersey State Police.
